PREFACE

We congratulate authors the publication of this Volume 4 Issue 1, June 2022. In this issue, we highlight research finding in the field of aerospace, electrical, mechanical and civil transportation engineering. AVIA aims to solicit recent finding of research scopes of aviation sciences and technology, aerospace engineering, aeronautics, defense system and engineering, safety and energy, mechanical engineering, electrical engineering, and aeronautics education and training.

AVIA Editorial office would like to thanks all authors, reviewers, and contributors for the continuous support and attention. We are looking forward to receive more articles in the next following issues.

Best regards,

AVIA Editorial Bord
